

# The Best Just Keeps Gettin' Better!™

## Improved B12-Drive Sausage Guns

Barrel swivel is smoother, more consistent

- Barrel won't come loose when swiveling / twisting
- No proprietary wrench needed to tighten
- Better rod support
- Less friction and rod wear

Stronger backcap to handle connection for smoother swiveling - *An improvement over the industry standard*

Improved recoil control - *No hang-up as rod wears*

Steel hook pull now included at no extra charge!

Smoother, longer rod guide inside cap - *Less wear*

Accepts hook-pulls without removing existing pull

Improved wear adjustment pin - *Longer life*

The **B-Line**

- Durable
- Efficient
- Dependable
