

# Powered Dispensing of 2K Materials with the Convenience of 18V Cordless Battery Power

Bulletin 346A

- **Powerful** - 950 lb<sub>f</sub> with no oscillation under load
- **Advanced Battery**
  - 18V Lithium-Ion for fade-free power, 982-2
  - Fast, 30-minute recharger, 982-21
- **Total Control**
  - Variable speed trigger
  - Speed limiting dial
  - Dosage control via indexed rod
- **No Drip** - Gears disengage instantly when trigger is released
- Australian(982-18), Euro(982-19) and UK(982-20) battery chargers available

## Power Dispensing without the hassle of air hoses, regulators and compressors

	2:1   300 x 150ml		1:1   750 x 750ml

**ENGINEERING TID-BIT:** Because cordless tools are designed to dispense at a continuous rate they are not recommended for crack injection work. Air-powered dispensers like our AT-LINE (Product Bulletin 318) are a better choice.
