

# MULTI-COMPONENT Hand-Held Spray System

## Pneumatic dispenser for 750/750ml twin cartridges

- ✓ **Ergonomic Design**
  - One-hand or two-hand operation with improved control means easier and more comfortable dispensing
- ✓ **More Power**
  - Faster flow increases productivity
- ✓ **Responsive**
  - Improved trigger control, easy access regulator, and pneumatic forward and reverse
- ✓ **Adaptable**
  - Tools quickly change from two-hand to one-hand configurations with optional suitcase handle (part no. 957-2)
- ✓ **Easy Reload**
  - Gun stands upright for easy load and unload
- ✓ **Rugged Construction**
  - Albion's legendary quality and state-of-the-art engineering ensures that the tool can handle tough conditions

(cartridges and static mixer not included)

### Applications

- Spray-On Truck Bedliners
- Manhole restoration
- Secondary containment
- Pipe & pipeline coatings
