

Introducing Albion's new 50ml Twin Cartridge Dispensing tool.

The R6T50i competes with the best and surpasses them with the integration of Albion's legendary quality and state-of-the-art engineering!

Compare the R6T50i features with any other gun:

R6T50i shown with 50ml 2:1 cartridge

• **6:1 thrust ratio and ratchet drive**— Makes dispensing material easier.

• **Longer tool life**— All steel construction for durability.

• **More user friendly**— Albion's unique design handles both 1:1 and 2:1 cartridges — simply insert cartridge in retainer and slide on gun.

Don't settle for anything less than the best. For more information, visit our website at www.albioneng.com. Our full line of products come with an Albion warranty and our commitment to professional quality tools.

R6T50i accepts both 50ml 1:1 and 2:1 cartridges
