

# High Viscosity & Cold Weather Tools.

## Albion delivers the power when you need it for:

- Polyurethanes**
- Terpolymers/Tripolymers**
- Polysulfides**
- Sealants with aggregates**
- Firestops**
- Butyl rubber sealants**
- Fibrated sealants**
- Automotive urethanes**
- Two component cartridges**

A standard dispensing gun delivers up to 375 lbs of force. For those situations where high viscosity materials and cold weather dispensing are required, Albion offers high-thrust cordless, air, and manual guns.

### Battery Powered E-Drive

- Ergonomic— reduces hand fatigue and wrist strain versus manual guns
  - Power efficient— dispenses over 185 10oz latex cartridges on one charge
  - Heavy duty— all-metal gear box develops 620 lbs of force
  - High productivity— maximum speed of 23 inches per minute means the job gets done fast
- Other popular cordless models: 405-15E - quart cartridge, DL-59-T13E - 1 quart bulk capacity

### B-Line B26 Drive

- Adjustable wear-compensation device— no loss in trigger motion
  - Double gripping-plate and steel trigger for increased durability
  - Easily handles high viscosity materials
  - 26:1 thrust ratio
- Other popular B26 Drive models: B26B20 - 1 1/2 pint bulk capacity, B26B30 - 1 quart bulk capacity

### Ultra Drive

- Easy thumb release under extreme pressure
  - Two operation speeds— quick change to second speed for longer stroke using less power
  - Built to dispense the highest viscosity materials
  - Develops up to 1100 lbs of thrust
- Other popular Ultra models: UL-45-T13 - 1 1/2 pint bulk capacity, UL-59-T13 - 1 quart bulk capacity

### Plus Drive

- Designed for long life and high volume applications
  - Heavy gauge steel with reinforced welded construction
  - Double-grip recoil mechanism— handles heavier loads
  - Develops up to 700 lbs of thrust
- Other popular Plus models: 405-15P quart cartridge, DL-59-T13P - 1 quart bulk capacity

Additional tools and accessories available for cold weather and high viscosity material dispensing needs. Visit our website or contact us for more information.
