

B26[®] The Cold Weather Gun

When the cold weather arrives, don't settle for an under-powered applicator. The B26 easily dispenses viscous materials in colder temperatures.

- ✓ Dual gripping plates for double life of tool
- ✓ Smooth action with comfortable grip
- ✓ Slotted front cap
- ✓ Albion's adjustable wear compensation device for no-loss trigger motion
- ✓ Also available for 28oz. cartridge, bulk & 20oz. sausage
