Introducing the NEW Albion AT1200S-2 Air Powered Twin 20oz Sausage Dispensing Tool

The Ergonomically Designed AT1200S-2 Revolutionizes Bridge Joint Installation.

Compare the AT1200S-2 Air Powered Twin 20oz Sausage features with any other gun:

Ergonomic design— two-hand operation with improved control means easier and more comfortable material dispensing.

Faster flow increases productivity— more power and an improved manifold dramatically increase the flow of material.

Responsive— improved trigger control, easy access regulator, and pneumatic forward, **manual reverse**.

Easy reload— truly functional upright position allows easy load and unload.

Rugged construction— Albion's legendary quality and state-of-the-art engineering insures that the tool can handle rugged conditions.

Unique characteristics of the 20oz/20oz Sausage

- Designed to reduce waste
- Fixed 1:1 material ratio
- Fits a 2 inch diameter barrel
- Requires Static Mixer

final sausage shape after use

MULTI-COMPONENT sausage air gun

AT1200S-2

Replacement Parts

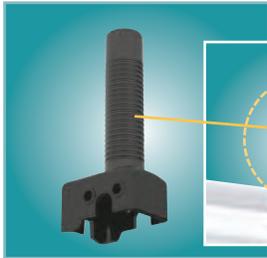

873-22 Sausage Piston Kit
Includes piston cup, steel backing washer, and two nuts

873-6 Sausage Piston Cup
Available individually

957-3 Handle Assembly
Quick and easy assembly to air gun. Includes adjustable regulator with two unions and hardware for assembly. Regulator has line pressure fitting which is ideal for use with spray applications.

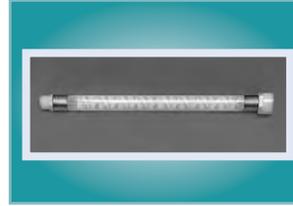

957-4 Upper Handle
Allows easy two-handed operation

645-G05 Manifold
Machined from a single block of aluminum, this manifold provides the optimum flow of material—and is easy to clean. Includes two replaceable viton o-rings (192-6)

STATIC MIXERS—

484-146-6166F4M Disposable Plastic Type
Connects directly to the manifold outlet. It has a built-in 3/4 inch NPT threaded coupling, eliminating the need for separate connecting nut.

Albion Engineering—

Albion Engineering is a third-generation company internationally recognized as a leader in the field of handheld dispensing technologies. Albion supports multiple industries with innovative, high-quality dispensing tools and accessories for the most demanding applications. More information on our products and services is available on our website or by requesting the latest issue of our Catalog and Handbook 333.

The New Generation AT1200S will replace the 635-1 (20oz/20oz) Twin Sausage Cartridge Guns and 670-2 Carts
