

# B12S20

20 oz. Sausage Gun  
(convertible for 10 oz. cartridge and bulk applications)

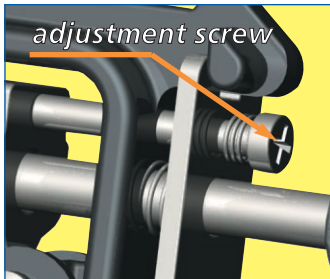

## Introducing a professional tool that has the competition sweating!

The integration of Albion's legendary quality with state-of-the-art engineering means that our B-Line tools surpass the competition in value and durability...

Compare the features of the B-Line

with any other gun:

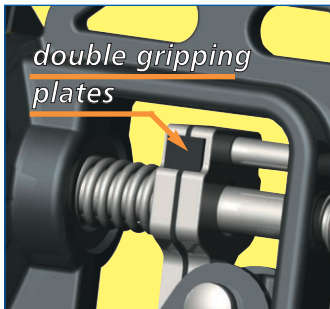

adjustment screw

• **Longer dispensing tool life**— Albion's adjustment screw technology means increased life of the gun—as the tool wears you can adjust the screw to remove the wasted motion

**Model B12S20:**  
Kit includes 3 cone nozzles, 3 narrow nozzles, 2 spare pistons and 1 bulk piston (shown at right)

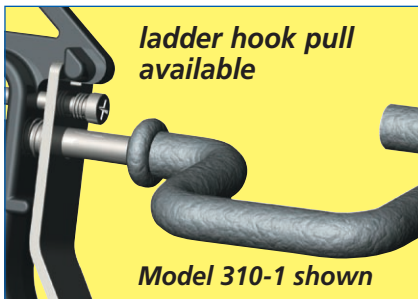

double gripping plates

• **Increased durability**— Albion's legendary double gripping plates and steel trigger means increased durability; if it's dropped it won't break

• **More user friendly**— Albion's ladder hook pull accessories adapt to end of rod (sold separately).

• **Increased efficiency**— Albion's improved pump efficiency means you get the job done quicker. Designed so that it takes fewer pumps to empty a sausage, you get more efficient use of hand motion.

ladder hook pull available

Model 310-1 shown

**Don't settle for anything less than the best.** For more information, visit us at our website at [www.albioneng.com](http://www.albioneng.com). Our full line

of products come with the Albion warranty and our commitment to professional quality tools.
