## One-Hand Control

*Easy, Accurate and More Comfortable!*

## Two-Hand Control

## PNEUMATIC OPTIONS FOR DISPENSING 2K CARTRIDGES!

Compare the versatility of the AT Line features with any other dispensing tools.

### ERGONOMIC DESIGN

One-hand or two-hand operation with improved control means easier and more comfortable dispensing. Faster flow increases productivity. More power from a 4" diameter cylinder dramatically increases the flow of material.

### ADAPTABLE

Quickly change from two-hand to one-hand configuration with the **Patented** Suitcase handle (957-2).

### RESPONSIVE

Responsive trigger control with easy access regulator, and pneumatic forward and reverse. Quick Stop due to Albion's unique quick exhaust design.

### EASY RELOAD

Truly functional upright position allows easy load and unload.

### RUGGED CONSTRUCTION

Albion's legendary quality and state-of-the-art engineering insures that the tool can handle rugged conditions.
